

SCONE CASH PLAYERS - SCONE COLD CHRISTMAS

Hark, a message from the Scone Cash Players. These are Christmas anthems for the sad and lonely. The Yuletide cheer is low this year. There is no one to kiss under the mistletoe, but you are gonna be alright. These songs will rest the ghosts of Christmas past, present, and future. Scone Cash Players are with you.

MY FIRST DIVORCED CHRISTMAS (Santa Claus Got a Divorce)

Even Santa Claus is having marital problems. Love is on those ice-cold north pole rocks. Fret not, you are not alone. This song is featuring the dynamic vocalist Lee Taylor and was recorded in Memphis Tennessee. The home of heartbreak.

THEY SAY IT'S CHRISTMAS TIME (Christmas Time in Brooklyn)

The calendar reads December 25th. Well, It sure doesn't feel like it. Even still, Santa is out there on the B.Q.E. trying to get it done for each and everyone. This track features the classic vocals of the great John Dokes. Recorded in Brooklyn, NY.

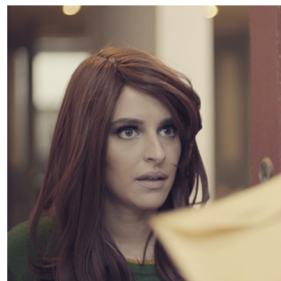

Do your best to have a Merry Christmas and enjoy SCONE CASH PLAYERS "SCONE COLD CHRISTMAS."
